TO: Governor Scott Walker

FROM: Mike Hinman, WEM Administrator

SUBJECT: Situation Report #7 on Severe Weather

Crews continue to clear the two-mile backup on I-94 (from Highways C to 165) in Kenosha County. Access to I-94 is closed in both directions of the backup. Three plows and front-end loaders are in front of the blockage and are working to clear the road.

The National Guard is sending an additional two units with three vehicles each to the front and end of the blockage. Troops will be providing health and safety checks on vehicle occupants.

I-43 remains impassible between Beloit to Mukwonago.

Airports: All flights at Mitchell Field in Milwaukee have been cancelled until at least 5:00 p.m. Although still open, many flights at Dane County Regional Airport are cancelled.

Weather: The snow is tapering off, and heavy winds should slow down by noon. Bitter temperatures are expected to follow.

The National Weather Service has cancelled all blizzard warnings in the state.
