ReadyWisconsin sponsors Preparedness Day at Miller Park

(MADISON) - If you see a number of police and fire vehicles at Miller Park on Labor Day, do not immediately assume there has been an emergency.

ReadyWisconsin is sponsoring Preparedness Day at Miller Park on Monday, September 6. From 10:00 AM until 1:00 PM, ticket holders for the game between the St. Louis Cardinals and the Milwaukee Brewers can visit the festivities located just outside of Miller Park on the third base plaza.

ReadyWisconsin will have a booth on the plaza where visitors can win prizes and pick up disaster preparedness materials. Emergency services vehicles from Milwaukee's Police and Fire Departments will be on display and the Famous Klement's Racing Sausages will make an appearance. Representatives from the National Weather Service and FEMA will also take part in the Preparedness Day events.

If you visit ReadyWisconsin.wi.gov during the month of September, you can also sign up for the ReadyWisconsin Trivia Challenge! Everyone who tries to answer our preparedness question is automatically qualified to win great prizes including emergency weather radios and ReadyWisconsin coffee mugs.

To learn more about the Preparedness Day event or to see a calendar of upcoming events and media and civic group appearances, visit ReadyWisconsin.wi.gov or follow us on Facebook (www.facebook.com/readywisconsin) and Twitter (www.twitter.com/readywisconsin).

ReadyWisconsin is a joint initiative of Wisconsin Emergency Management and the Wisconsin Citizen Corps. It is funded by US Homeland Security. The project localizes the citizen preparedness message with information, materials and resources customized to Wisconsin's state, regional and local emergency preparedness landscape. To learn more about ReadyWisconsin or to plan a preparedness presentation for your organization, contact Tod Pritchard, Preparedness Coordinator for ReadyWisconsin, at 608-242-3324 or tod.pritchard@wisconsin.gov.
